^{3.} By order of the Soviet transportation control headquarters, the SC transitworthy converted boxcars assembled at the Berlin-East freight station on 20 September were to be dispatched to Frankfurt/Oder until 23 September. 13

Approved For Release 2002/07/22 : CIA-RDP80-00810A002700180007-6

-3- 4. Official records indicated that railroad cars to be made available between 18 and 23 September included: 3 boxcars and 10 SSY-type flatcers at immensior on 18 September; 1 converted boxcar, 6 boxcars and 9 flatcers at Justerbog-Altes Lager on 22 September; and 8 converted boxcars, 11 boxcars and 10 flatcars at Teltow on 23 September. X1A1. Comment. The troop train probably carried AAA units of the 9th Mecz Div which returned from firing practices at Justerbog to the training camp of the division at Forst Tauer. X1A2. Comment. The troop train		25X1	
4. Official records indicated that railroad cars to be made available between 18 and 23 September included: 3 boxcare and 10 SSY-type flatours at Whendorf on 18 September; 10 converted boxcare, 6 boxcare and 9 flatours at Whendorf on 18 September. (1A). Comment. The troop train probably carried AAA units of the 9th Necz Biv which returned from firing practices at Justerbog to the training camp of the division at Forst Tauer. (1A2. Comment. The troop train 25X1A 25X1A		SECRET 25X	1A
23 September; included: 3 boxcars and 10 SSY-type flatcars at Weensdorf on 18 September; and 8 converted boxcars, 11 boxcars and 10 flatcars at Teltow on 23 September. (1A1. Comment. The troop train probably carried AAA units of the 9th Necz Biv which returned from firing practices at Justerbog to the training camp of the division at Forst Tauer. 25X1 [1A2. Comment. The troop train 25X1A 25X1 [1A3. Comment. The troop train 25X1A 25X1 [1A4. Comment. On 12 September 1953, the hospital at Teupitz was entrained at falle on the troop train and dispatched to Dreaden. Ascording to another source, the hospital at Potedam-lermannaverder was vacated on 21, 22 and 23 September 1953. Indicates that the above hospital probably was transferred to the vacant quarters at Teupitz. It is believed that the hospital at Hohenlychen will also be vacated. [1A5. Comment. As the signal regiment of the Third Gds Mecz Army is stationed at Trebbin, it is assumed that rear details of signal units of the Eighth Gds Army returned from the command-post exercise to Chadruf via Trebbin. [1A6. Comment. The trains probably carried units of the 6th Gds Tank Div from Nerder-Narkendorf book to their home station. [1A6. Comment. Compare with		-3-

1A2. Comment. The troop train 25X1A 1A4. Comment. On 12 September 1953, the hospital st Teupitz was entrained at falle on the troop train and dispatched to breaden. According to another source, the hospital at Potsdam. Helmannswerder was vacated on 21, 22 and 23 September 1953. Indicates that the above hospital probably was transferred to the vacant quarters at Teupitz. It is believed that the hospital at Hohenlychen will also be vacated. 1A5. Comment. As the signal regiment of the Third Gds Mecz Army is stationed at Trebbin, it is assumed that rear details of signal units of the Eighth Gds Army returned from the commend-post exercise to Ohrdruf via Trebbin. 1A6. Comment. The trains probably carried units of the 6th Gds Tank Div from Werder-Markendorf back to their home station. 1A7. Comment. Compare with Comment 3. The units transferred by these trains have not been identified. 1A8. Comment. The troop trains carried elements of the 25th RL Brig back to Rathenow. On 12 September 1953, these troops moved to Altengrabow. 1A9. Comment. Fighter regiments are stationed at Zerbst, near Lindau and at disterbog. Indicates that these troop trains were to be employed outside East Germany. In conjunction with similar observations with the northern fighter corps, it is believed that the trains possibly belonged to an exchange movement of air force personnel. 1A60. Comment. The troop train from Schwerin to Frankfurt/Oder probably was identical with one of the three troop trains which, according to the report by two other sources, went from Wustrow to Frankfurt/Oder between 17 and 19 September 1953. The trains probably carried components of the 32nd AAA Div (US). 1A71. Comment. The troop trains were previously confirmed.	.
